

Director of Nursing

Join the Leadership Team of professionals at a nationally recognized treatment facility. Tully Hill Chemical Dependency Treatment Center, is dedicated to the belief that chemical dependency is a disease – chronic, progressive and above all, treatable. Tully Hill, a 50-bed inpatient rehab, detox and outpatient facility opened its doors in 1990. Tully Hill is accepting applications for an experienced Director of Nursing. The Director of Nursing provides leadership for the Nursing Department and is responsible for the direction, provision and quality of nursing services provided to patients seeking treatment for chemical dependency. Position reports to the Executive Director and is a valued member of the Leadership Team.

Responsibilities include the 24-hour management of the Nursing Department and ensuring that nursing tasks are carried out in accordance with facility policy and in compliance with CARF standards, NYS OASAS regulations and other State and Federal Regulations, developing and implementing nursing policy and procedure, establishing and controlling departmental budget, directing patient care, monitoring nursing documentation to ensure compliance with policy, OASAS regulations, CARF standards, referral source and insurance contract requirements, providing medical education for patients and their families, supervision, training and scheduling of Nursing Department staff and providing on call coverage.

Team oriented individual with the ability to work in a fast paced environment, strong written and verbal communication skills, and strong computer skills required. Bachelor's degree in nursing or diploma from qualified nursing school and equivalent experience; Master's degree preferred. Valid NYS RN Licensure required; Nurse Practitioner licensure a plus. CPR (BLS) certification required. CARN certification a plus. Solid medical skills required. Demonstrable knowledge of the detoxification process, addiction, co-occurring disorders, DSM criteria and terminology, OASAS regulations and 12 Step Philosophy a plus. 5+ years supervisory experience preferred. Previous work experience and competency in an electronic medical record environment required.

Tully Hill, a 501c3 not-for profit corporation, is mission driven and follows a business model. Tully Hill offers a high energy, compassionate, professional environment in a beautiful well maintained property. Salary is commensurate with experience and education/credentials. Comprehensive benefits include health insurance, 401(k) plan, vacation, sick and personal time, voluntary dental insurance, voluntary disability insurance and voluntary life insurance.
