

### **SUD Counselors**

Join the team of professionals at a nationally recognized treatment facility. Tully Hill Chemical Dependency Treatment Center is dedicated to the belief that chemical dependency is a disease – chronic, progressive and above all, treatable. Tully Hill is a 50-bed inpatient rehab, detox and outpatient facility dedicated to providing substance use disorder treatment. Tully Hill is accepting applications for **SUD Counselors** in our Inpatient Program.

Will be responsible for providing supervision and care to patients seeking treatment for chemical dependency in accordance with Tully Hill policies. May conduct lectures, supervise patient interaction with family members, facilitate groups, provide individual support, assist in admission activities, etc. CASAC-T, CASAC or other QHP preferred. Part Time or Per Diem. Some weekend availability required.

Team oriented individuals with the ability to work in a fast paced environment, excellent written and verbal communication, organizational and computer skills required. Demonstrable knowledge of chemical dependency and 12-Step philosophy required. Previous experience working in an electronic medical record environment preferred.

Tully Hill offers a high energy, compassionate, professional environment and comprehensive benefits package. Salary is commensurate with experience and education/credentials. Benefits include health and dental insurance, 401(k) plan, vacation, sick and personal time, voluntary disability insurance and voluntary life insurance.
